IMPORTANT CUSTOMS NOTICE!

U.S. Customs imposes penalties if duties are not paid within (10) days of release. If you are the importer of record, payment to the broker will not relieve you of liability for customs duties in the event the duty is not paid by the broker. Therefore, if you pay by check, customs duties may be paid with a separate check made payable to the U.S. Customs Service or through your own account with Customs Automated Clearing House (ACH).

Although we try and maintain our fee schedules for one year, we reserve the right to make changes without prior notice.
