

INTRODUCTION TO LOGIN LOGISTICS

Introduction to LOGIN

**Not just another freight forwarding & logistics company...
LOGIN is about making a difference**

- ▶ LOGIN is a freight forwarding & logistics company that is focusing its sales & marketing efforts in North America, supported by dedicated customer service, providing services on the Import trade from North-South Asia, Turkey and Italy.
- ▶ We have partnered with ULi Group Asia, established in 1983, employing over 1,000 people & with a very strong operational footprint in Asia. The Group generated over US\$400 million in revenue in 2007, moved more than 75,000 Teus of SEA and 45,000 Tons of AIR.

Believe in the future. LOGIN

Our Client Focus

We specialize in meeting the logistics needs of small- & medium-sized enterprises (SMEs)

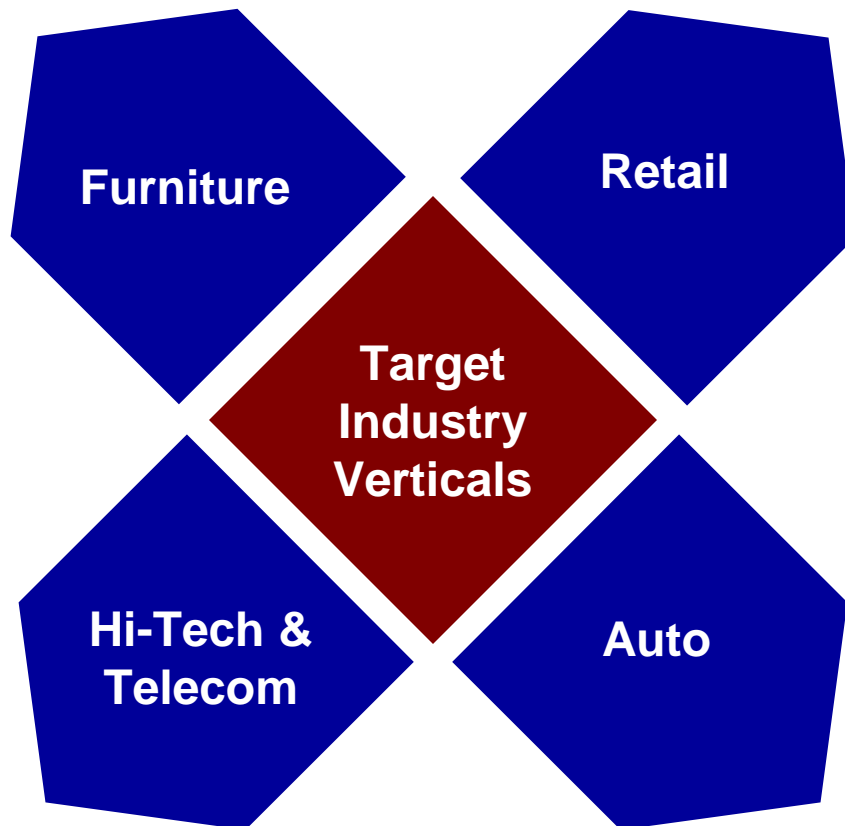

We strive to build long-term relationships & do repeat business with clients with a continuous supply chain

We customize our service offerings to cater to the global & regional logistics requirements of our clients

Our Industry Vertical Focus

- ▶ Includes Fitness Equipment, Fashion, Garments, Textiles, Footwear, Toys, Sporting Goods, Furniture, Hi-tech and Automotive
- ▶ Need for origin services – especially in countries like Hong Kong, China, Indonesia, and India – combined with the freight and destination services in North America

Our Client Focus

Retailers

Department Stores

Importers

Our focus is on clients which require a forwarder or logistics company to:

- ▶ Provide PO management services
- ▶ Provide track-and-trace visibility & shipment status
- ▶ Do consolidation on behalf of buyers
- ▶ Coordinate services for single importers with multiple vendors/factories
- ▶ Do CFS/CY & CY/CY deliveries
- ▶ Undertake responsibility of their supply chains, from production to store/shelf delivery

Mega Stores

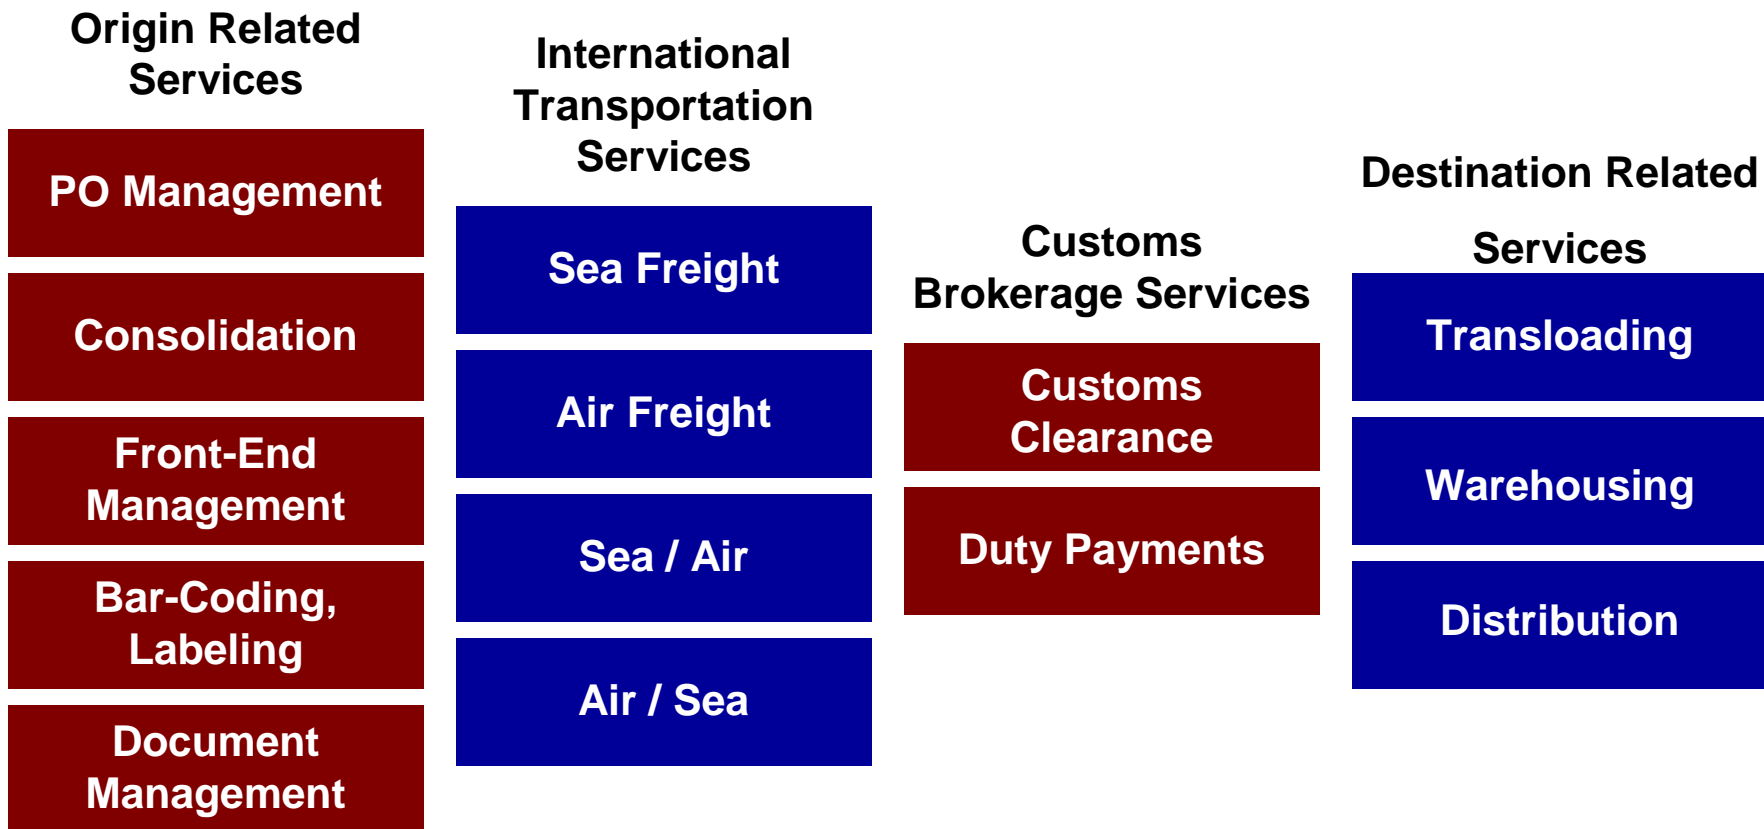

Manufacturers

Concept Brands

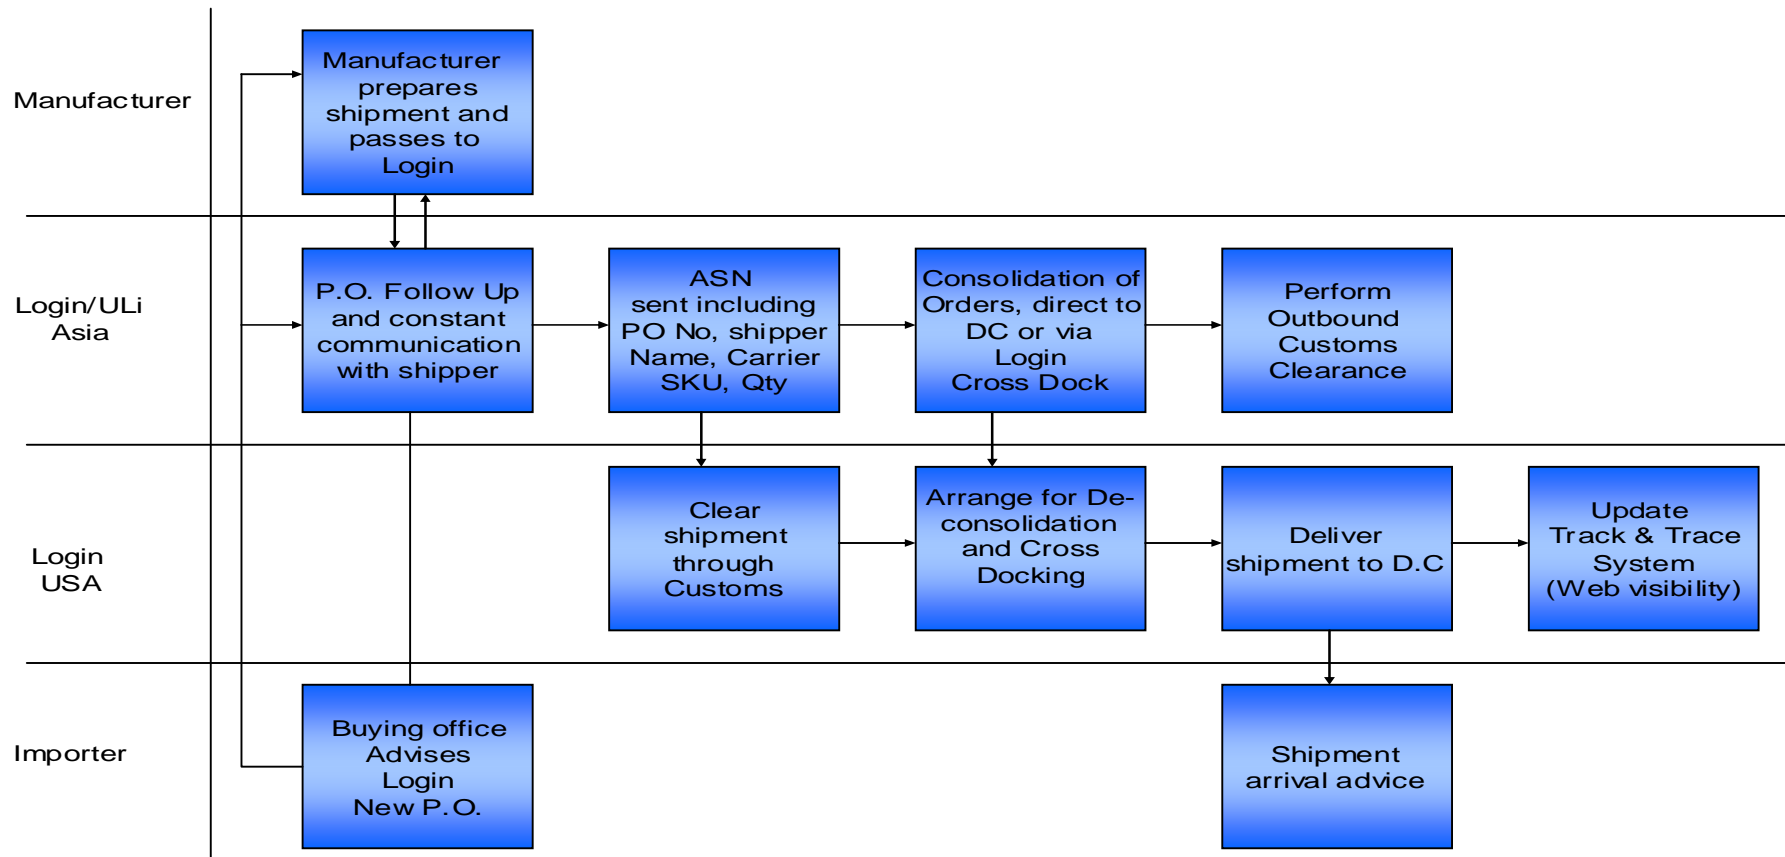

Our Main Services

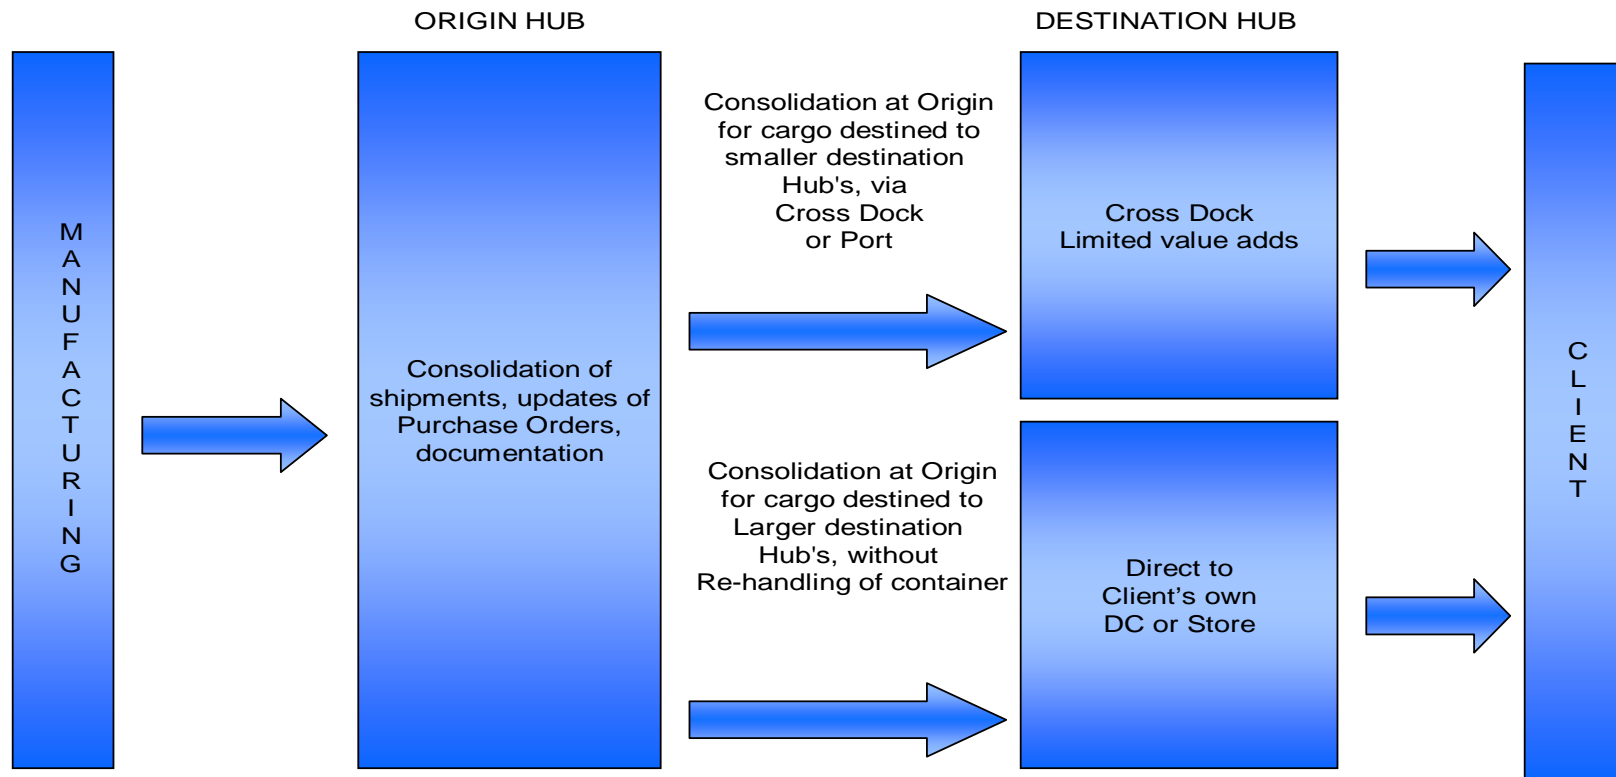

In addition to freight services, we bundle additional services that entail extended capabilities & integrated technology to provide value-add to our customers

Standard P.O. Process

Standard Shipment Process

- By P.O. Number
- By Destination

- Segregate by destination as required.

Our People

- ▶ In LOGIN, we have a winning team of professional managers with strong business acumen and many years of industry experience in place to develop business aggressively
- ▶ The combination of specialized experience & entrepreneurial spirit of LOGIN's management team, coupled with in-depth industry expertise & corporate discipline, provides us with a unique mix of talent to achieve our corporate goals
- ▶ We have a competent sales force supported by superior customer service, adopting a positive service strategy that entails responding to requests from customers, partners and vendors in the fastest time possible

Our Technology

- ▶ Our IT system is best-in-class, supporting our air and seafreight operations both in Asia & USA
- ▶ It has comprehensive track-and-trace capabilities that allow our customers to view shipments by Purchase Number, Shipment Number, Invoice Number, Vendor Name, etc. as well as to generate online reports
