LOGIN: MAKING LOGISTICS WORK FOR YOU.

At LOGIN Logistics, we are not just a freight forwarding and logistics company. We are about making a difference for your business. Login is focusing predominantly on the Asia-North America trade-lane where our experienced members have been navigating the forwarding and logistics field since 1982.

The experience gained during this time, highlighted by our intimate understanding of USA Import trade, enables us to provide you with a diversified array of services that is tailor-fit to your needs.

Our core: LOGIN provides freight forwarding services, or the undertaking of the transportation of goods from shippers to receivers. By utilizing the services of various freight carriers, we are able to determine delivery, pricing and maintain responsibility for your goods until they are delivered at your door.

Our Value Add Services: LOGIN provides diversified logistics services that include extended capabilities and cutting-edge integrated technology, providing a better experience to our customers. LOGIN will customize its service offerings to cater to the global and regional logistics requirements of importers, exporters, retailers, manufacturers and department stores.
